

Literacy:

- Prefixes and suffixes
- Inverted Commas
- Adverbs, prepositions, and conjunctions
- Apostrophes for contractions and possession
- Tricky spelling.
- Homophones
- Comprehension and reading skills.
- Non-Fiction work
- Headings and Subheadings
- Information posters
- Grammar
- Joint handwriting.
- Creative writing
- Short Story Writing

Maths:

- Draw 2-D shapes and make 3-D shapes using modelling materials; recognise 3-D shapes in different orientations and describe them.
- Recognise angles as a property of shape or a description of a turn.
- Identify right angles, recognise that two right angles make a half-turn, three make three quarters of a turn and four a complete turn; identify whether angles are greater than or less than a right angle.
- Identify horizontal and vertical lines and pairs of perpendicular and parallel lines.
- Interpret and present data using bar charts, pictograms and tables.
- Solve one-step and two-step questions [for example, 'How many more?' and 'How many fewer?'] using information presented in scaled bar charts and pictograms and tables.

Science:

Nutrition and our body – The boys will be learning about healthy eating, the different food groups and how they help our body. They will also learn about the skeleton and muscles.

Light and Shadow

They will learn to identify different sources of light and how to make shadows and to be able to explain what happens to make a shadow. They will also learn whether all objects block light. The boys will also learn what happens to shadows as the object changes position and to describe using scientific terms.

Curriculum & Skills Information Sheet

Spring Term 2020 / תש"פ
Year 3

P.E.:

This term the students will continue their yearlong swimming lessons which will take place once a week at a local swim club. In addition to swimming, we will begin to have PE once every 3 weeks (starting in Spring 2).

Computing

- Use technology safely, respectfully, and responsibly.
- Coding
- Spreadsheets
- Typing
